

EBDM CHARGING PROGRAM

PURPOSE

- To achieve 20% reduced recidivism for low-risk individuals.
- Preserve limited resources which can be re-directed to matters involving medium and high-risk individuals.

RATIONALE

- Low-risk individuals tend to be self-correcting.
- Formal intervention may interfere with internal controls or positive family and social settings which result in self-correction. Additionally, intervention may result in inappropriate mix of low-risk offenders with medium/high-risk offenders.

DIVERSION DESCRIPTION

- Participants attend orientation session and one to two-hour education session regarding ramifications of citation/criminal law violations and thought process leading to violations.
- Participants remain offense-free during duration of program.
- Participants pay \$200.00 fee for program.
- Successful participants avoid citation/criminal charges (dismissal of citation charges for City cases).

ELIGIBLE INDIVIDUALS FOR DIVERSION PROGRAM
